### Constituent Concerns

- Changing Cafeteria Schedule from 2pm to 5/6pm to accommodate late night classes students
- AC in shuttle busses were broken
- Club advisor policy. Advisors for clubs are being required to be present for all clubs meetings, making it hard for clubs to start clubs or keep them active.
- A student brought a concern with Examiity, a website where students take exams online with an assigned person. Students feel Test Anxiety, their privacy is violated, & uncomfortable. (Council voted in inviting the Dean of student access or SVP of student affairs to address Examinity concerns)
- Gender Neutral Restrooms
- INK machines

The agenda was approved as written.

### Chair's Report (*Jefferson Vasquez-Reyes, Chair*)
