

## Consent Survey Assignment

Name: \_\_\_\_\_

**INSTRUCTIONS:** Interview as many people as you can, today, about what their definition of consent is and what their understanding of it is. (Get them to put it in a phrase or a few words, like a tweet). Record their responses on the back of this page and in the demographics in the chart at the end. Write a **one-page summary** of your experience doing this with any recommendations for future applications and add to this. Thank you for your work on this.

### **Sample questions:**

1. What is consent? What does it mean to you?
2. Did you know that California just required that consent be taught in every high school in California? Should be done here? Why or why not?
3. How can MC do more about supporting consent on campus, in our classrooms, etc.?
4. Add your own question here if you have a good one that works ---
