

MC Supervisors, Managers, Leaders:

Virtual Meetings Webinar

An informative and interactive Webinar
Thursday, April 9, 1-1:45 p.m.

Register in MC Learns—Leadership, management
& Supervision to obtain link to join with Zoom

The third 'managing virtually' series webinar examines some of the main aspects and challenges of effectively running virtual meetings. Contrast your on-line meeting style and skills to recognize personal strengths and possible weaknesses.

Share your experiences, insights and questions in areas of communications and steps to effectively managing virtual meetings.

Brought to you by Professional Development—ELITE.
