We are very pleased to announce the nomination process for the Outstanding Faculty Awards for the 2023–2024 academic year.

The purpose of this program is to recognize individual full- and part-time faculty members who exemplify the excellence that characterizes the entire Montgomery College faculty. For the current year, each faculty member recognized with an Outstanding Faculty Award will receive a one-time payment of \$2,000. Awardees receiving the Full-Time Faculty of the Year and Part-Time Faculty of the Year awards will receive \$5,000 each. A committee of faculty and administrators, representing each campus and central services, will review all nominations and recommend awardees.

We encourage you to consider nominating one of our many outstanding College faculty members for this special recognition. The nomination process is completely online and can be found on the [Outstanding Faculty Awards website](#). Please visit the webpage for more information about the process for both full-time faculty and part-time faculty, the timeline, and the requirements. **All nominations are due by Friday, March 1, 2024, 11:59 p.m.**
