Survey of Entering student Engagement (SENSE)

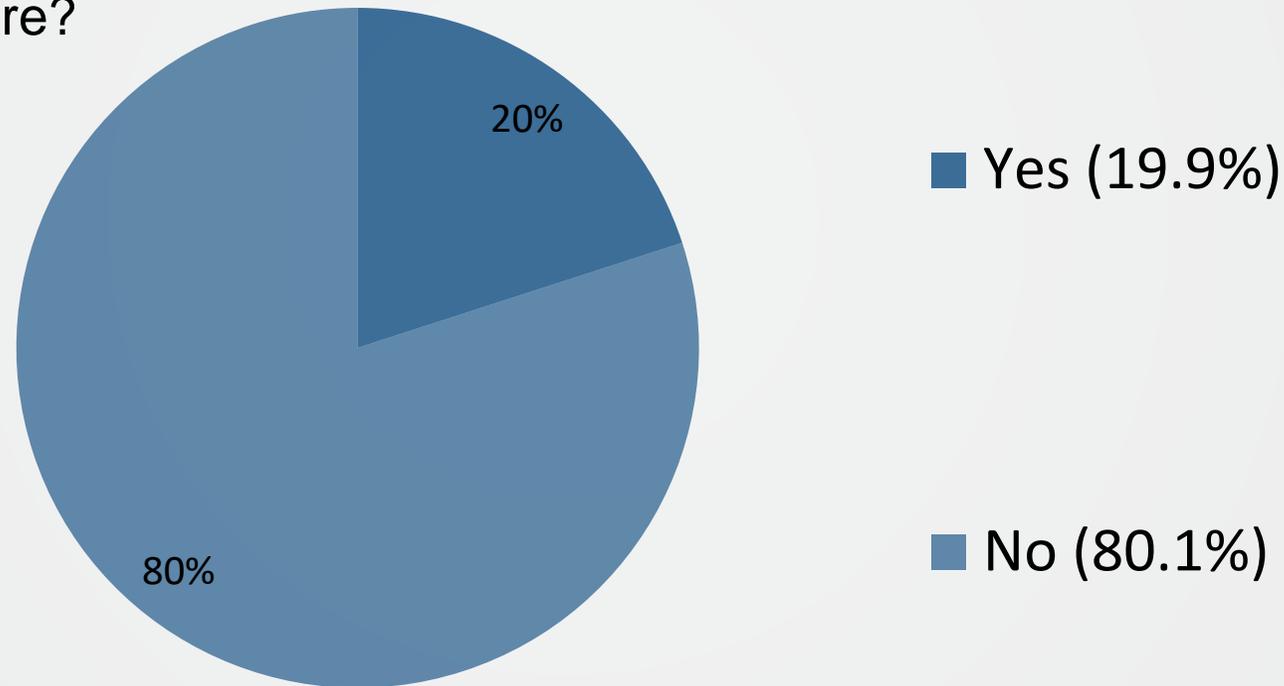

Do you have children who live with you and depend on you for their care?

Montgomery College

Survey of Entering student Engagement (CCSSE)

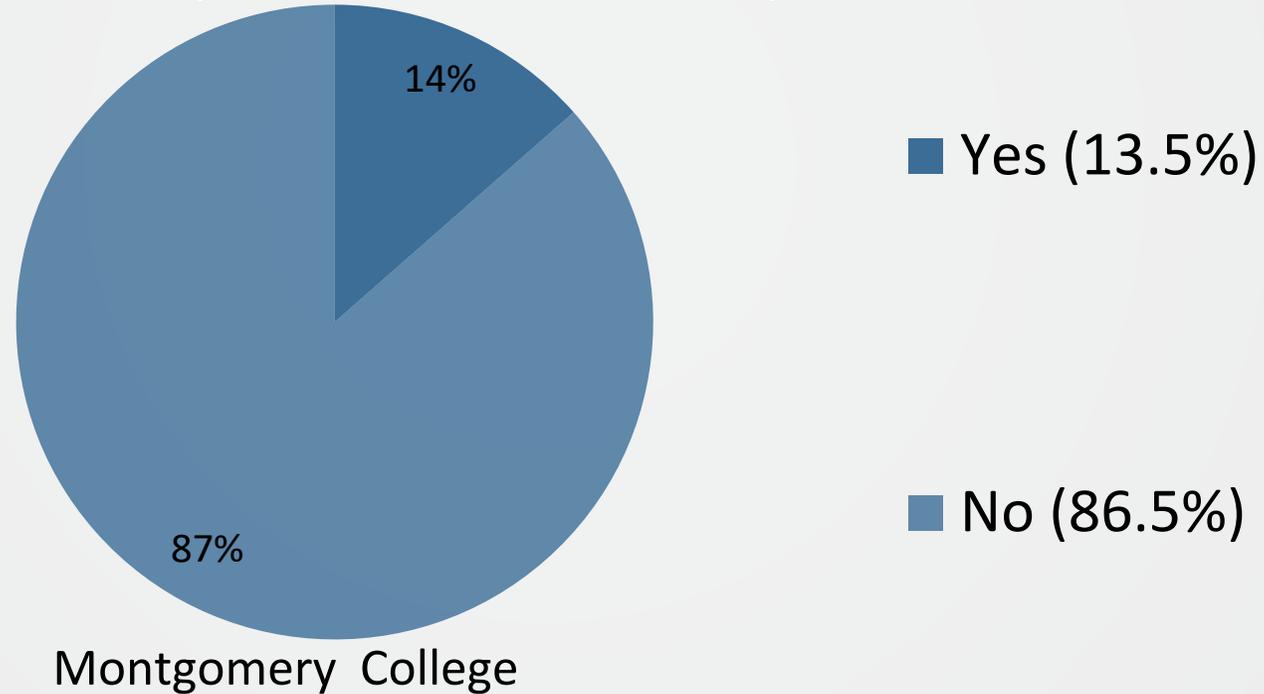

Do you have children who live with you and depend on you for their care?

Montgomery College

#REALCOLLEGE Survey

- Are you a parent, primary caregiver, or guardian (legal or informal) of any children in or outside your household?

How many Student Parents do we have?

The credit student surveys look to be 15% - 20% of our student population.

- With 17,300 credit students, that would equate to **2,600** to **3,500** students.

The whole college surveys look to be about 15% of our student population.

- With 42,900 students, that would be about **6,400** students

Questionnaire Launch

- All credit students
- Targeted WDCE programs
 - AELG, GED, Citizenship, Health Sciences, APPE, Bridges to Success, Early Childhood, Refugee Training
- Simple 5 question questionnaire
- Over 200 responses in Fall with an additional 200 in Spring

Parenting Students Information Form

Montgomery College desires to help parenting students in changing their lives. In doing so, we would like to connect parenting students with college and community resources that may be of interest as they continue their education at MC. If you are a parenting student (whether or not your child lives with you), please take a few minutes to fill out this questionnaire.

1. Are you the parent (or expectant parent) of a child 0-18? *

- Yes
- Yes, and I am expecting.
- No, but I am expecting.
- No

Enter your answer

5. What is your MC student ID# (M#)? *

Enter your answer

Responses

394 Respondents identified as a parent or expecting first child

- 98% (N=385) have one or more child
- 2% (N=9) are expecting first child
- There were 13 parents who are expecting an additional child

Responses

Of the respondents with children (N=385)

- 42% (N=160) have exactly one child
- 34% (N=131) have two children
- 16% (N=63) have three children
- 4% (N=16) have four children
- 3% (N=12) have five or more children

Responses

394 Respondents identified as a parent or expecting first child

- 48% (N=188) are married or in a domestic partnership
- 40% (N=157) are not married or single
- 6% (N=25) are divorced, widowed or separated
- 6% (N=24) preferred not to say

Gender Data

394 Respondents identified as a parent or expecting first child

- 82% (N=323) are female

44% (N=142) are married or in a domestic partnership

- 13% (N=53) are male

66% (N=35) are married or in a domestic partnership

Of the 18 students for whom we could not identify as male or female, 11 (61%) were married or in a domestic partnership.

Race/ethnicity

We have race/ethnicity and gender data for 370 of the respondents who identified as a parent or expecting first child

- Of the 317 females
 - 49% (N=154) are Black/African American
 - 29% (N=93) are Hispanic
- Of the 53 males
 - 45% (N=24) are Black/African American
 - 17% (N=9) are Hispanic

Age Data

We have age and gender data for 376 of the respondents who identified as a parent or expecting first child

- Of the 323 females
 - 30% (N=98) are in their 20s
 - 43% (N=138) are in their 30s
 - 23% (N=74) are in their 40s

Age Data

We have age and gender data for 376 of the respondents who identified as a parent or expecting first child

- Of the 53 males
 - 19% (N=10) are in their teens or 20s
 - 47% (N=25) are in their 30s
 - 25% (N=13) are in their 40s

Retention

Of the 302 respondents who were registered for credit classes in the Fall 21 semester

- 265 (87%) of them registered for Spring 22 classes
- There were 41 students part of the First Time Ever In College F21 Cohort. They had a retention rate of 93% compared to the overall cohort rate of 78%

The females from this cohort had a 91% retention rate (30 out of 33 students).

Residency

265 Respondents identified as a parent or expecting first child and were enrolled as credit students

Residency	Number of Parents
In county	225
In state (but out of county)	27
Out of state	13

Major

265 Respondents identified as a parent or expecting first child and were enrolled as credit students

Major	Number of Parents
Gen Ed/Pre Clinical Nursing	39
General Studies - STEM	33
Nursing	23
General Studies - SSAH	21
Business	16
Cybersecurity AAS	14
Computer Science	12

Credit Accumulation

265 Respondents identified as a parent or expecting first child and were enrolled as credit students

Estimated Credits at end of Term	Number of Parents
10 or less	24
11-20	50
21-30	42
31-40	34
41-50	37
Over 50	78
