

The Adult ESOL Program provides basic English language and life skills instruction to Maryland residents whose native language is not English. This program is unable to provide services to F1 and J1 visa holders or people under 18 years old.

Pharmacy Technician Training for ESOL Students

Are you ready to begin a career as a pharmacy technician and improve your English?

The AELG Program can help you improve your English language and learn the basic skills you need to participate in certification programs at Montgomery College. We can help you get ready for the Pharmacy Technician Certification Board Exam, and prepare you to get a job in the healthcare field.

Course Dates: (February-May 2025)

Requirements

To apply for this course, you **must**:

- be interested in getting a job as a pharmacy technician.
- want or need to improve your English skills.
- be a Maryland resident.
- have a high school diploma or equivalent.
- be eligible to work in the USA.
- attend the information session and take all required tests and exams.
