

Workforce Technologies

Gudelsky Institute for Technical Education (GITE)

WORKFORCE, CAREERS, AND CONTINUING EDUCATION

The Gudelsky Institute for Technical Education (GITE) offers a wide range of training in the areas of Automotive, Building and Construction, Construction Management, Computer Repair, Welding, Green Technologies, Horticulture, and Basic Repairs. You have the option of taking these classes for credit (working toward a College Degree) or noncredit (without the worry of grades)—through Workforce Development and Continuing Education (WDCE). Many of these classes prepare you for Industry Recognized Certification exams.

For more in-depth course information or to design a training program specific to your needs, contact the Program Director; Christina Segura, 240-567-7902.

Hands-On Training in:

Automotive

- ASE A1 Engine Repair Prep
- ASE A-4 Suspension and Steering Prep
- ASE A-5 Brakes Prep
- Automotive Electricity
- Basic Engine Performance
- Engine Performance II
- Battery / Starting / Charging
